

*"Joe's Special Meatballs"*

*Uses Maple Chipotle Grille Sauce*

*by Stonewall Kitchen*

***Ingredients:***

**1 bottle of Maple Chipotle Grille Sauce**  
**1 bag of 60 count frozen meatballs (we used Kroger's Homestyle)**  
**If you use the 128 count frozen meatballs, you will need 2 bottles of the**  
**Chipotle Sauce.**

***Directions:***

**Simply combine the sauce and meatballs in a slow cooker and heat thoroughly and enjoy! You might want to warm them first in a saucepan if you are pressed for time. The longer they cook, the better they taste...**

**These are wonderful for parties, and are so easy to prepare. They were a huge hit at our Christmas Open House.**
